Hi Members,

This Second Edition has some up-to-date information on a variety of Salvation Army stamps and the History of some of them.

We would love to receive anything of interest from any member of Salvation Army stamps or other items. Your involvement will ensure good reading for the other members and gain some extra knowledge and benefit for our collections.

I would thank Alex Langen from the U.S.A. and Kevin Keast from Victoria in Australia for their contribution to this "Journal".

We have been informed by Glen Horridge, that we have 37 members that receive our "Journal" and another 41 who get both ours and the Association magazines, total for UK of 78.

Geoff Maxwell
